RECOMMENDED RETAIL PRICE LIST

The prices of all tonearm models include a high quality Tonearm Cord with MØRCH and Cardas connectors.

The standard armtubes are being phased out and replaced by armtubes called NARROW. The flange is metal instead of Plexiglas. Also the "yellow" and "green" armtubes have been discontinued. The "red" armtube can be used instead.

Valid from: October 1, 2020
